

The poster features a vibrant spring theme. At the top, a green vine with pink roses and heart-shaped flowers hangs across the frame. Two blue birds are flying in the sky above. The background is a mix of light blue sky with white clouds and green rolling hills with a winding path. On the right, a hummingbird is perched on a branch with white flowers. At the bottom, there are yellow daffodils, a red tulip, and strawberries. A blue banner at the bottom contains the text 'Just in time for Mother's Day'.
